

MONTHLY COFFEE MORNINGS – Change of **APRIL** Venue

The White Hart in Brasted closed at the end of February for refurbishment, the owner's no doubt thought it was a good idea to carry this out while the road works were in progress just down the road at Sundridge.

The pub has, as yet, been unable to confirm when they will be re-opening, exactly what the new set-up will be or if we will be able to continue our monthly coffee mornings.

As so much is in doubt I think it is better all round to move our April coffee date to Allders, in Croydon.

Our February coffee morning at Allders attracted 29 people, including 3 members who have never been to any of our events before and 4 members plus their spouses who have not been to a coffee morning before,

The revised programme is

Tuesday 9 March - 4th floor restaurant, Allders, Croydon – 10.30am

Tuesday 13 April - 4th floor restaurant, Allders, Croydon – 10.30am

If we are unable to continue our coffee morning at The White Hart we will need to sort out a new venue for May onwards. Suggestions put forward so far are The Grasshopper & Polehill Garden Centre.

Other suggestions from members would be welcome as would your thoughts on making Allders a permanent venue.

Details will be posted on the website.
